# BRAND DESCRIPTION

Please allow us to choose for you the easier for your life. With QEVERYER we get rid of all loads .  
QEVERYER ticket management system will make the user experience \*1000 times better.  
Using QR Code technologies, data manipulation has undergone a new era.  
All info are contained in one image helping the sound, the illiterate who can't write or read  
and who have writing incapacities and handicaps .
